RETROUVAILLE
A LIFELINE FOR MARRIED COUPLES

A Weekend Away Can Give Your Marriage a Chance

A marriage help program that gives couples the opportunity to sign off, get away, and examine their lives together in a real and realistic way. It's based on the belief that marriage is the most significant relationship on earth and is worth investing your time, energy and efforts to make it the best it can be. The weekend is hard work, but more worthwhile than can ever be explained.

Tens of Thousands of Couples Have Been Helped

Retrouvaille offers tools needed to rediscover a loving marriage. Tens of thousands of struggling marriages headed for cold, unloving relationships or divorce have successfully overcome their marriage problems by attending the program, which begins with a Weekend Experience that is followed by a series of follow-up sessions to help keep your healing on track and further develop the tools learned.

You Will Not Share Your Personal Struggles with Others

The Retrouvaille program is not a marriage encounter, marriage retreat, marriage counseling, or a marriage seminar, although they share some similarities. You will not be sharing your struggles with other people. You will hear from couples that have been through the program themselves. They will share their journey from brokenness to reconciliation.

A Program for Couples in Struggling Marriages

It is for couples with marriages that are struggling, not communicating well, and those who are considering marriage separation or divorce. It is also for those who are already separated or divorced that want marriage help. Some couples come to Retrouvaille during the initial signs of a marriage problem. Other couples are in a state of despair and hopelessness when they attend the program. Some couples have been married for many years, while others have been married only a short time and encountered trouble.

A Marriage Help Program that Teaches Effective Communication

The presenting team, three couples and a priest or pastor couple presents a technique of communication that enables you to take a good look at many areas of your relationship. The team provides practical tools for improving your marriage. Unlike marriage counselors, they will share how they were able to benefit from these techniques themselves. After each presentation you will have time for reflection and discussion in complete privacy with your spouse.

Find a Program Near You

Scheduled regularly in more than 160 communities worldwide, the weekend begins on a Friday evening and ends Sunday afternoon. It is not a 'miracle cure'; so the post-weekend sessions have been designed to continue the marriage renewal begun on the weekend. The post-weekend phase is as crucial, maybe more critical, to the healing of marriage problems. During these sessions, the techniques learned on the weekend are further developed and used to explore additional areas of your marriage relationship.
